

Celebrate your child's birthday
with a book donation to
The Cove School Library

Foster a love of literature
that will be treasured for years to come!

What's it all about?

By donating \$20 or more to the program, your child gets to handpick a book from a carefully curated collection of our latest acquisitions.

Your child's chosen book will be donated to The Cove Library, where it will find a cherished place on our shelves.

And that's not all!

Each book will feature a commemorative bookplate, proudly displaying your child's name, birthday and current year. This is a lasting legacy of your generosity and their love for reading.

When do I choose a book?

When your child next visits the school library, your child will be invited by the library staff to choose a book from a selection of brand new books.
