

**Hall Middle School**  
**Progressive Discipline Chart**

Our school-wide student conduct/discipline plan is based on mutual respect, positive relationships and additional positive supports such as: teacher/student relationship; engaging and empowering curriculum; social emotional learning programs; counseling services; and other individualized programs as needed.

This chart represents the progression of consequences that we implement consistently across our campus in response to behavioral infractions to ensure students, staff and parents can partner in taking corrective action. Additionally, school administration and staff may assign consequences as they determine appropriate.
