

**FINANCIAL REPORTS AND ACCOUNTABILITY**

The Governing Board is committed to ensuring public accountability and the fiscal health of the district. The Board shall adopt sound fiscal policies, oversee the district's financial condition, and continually evaluate whether the district's budget and financial operations support the district's goals for student achievement.

The Superintendent or designee shall ensure that all financial reports are prepared in accordance with law and in conformity with generally accepted accounting principles and financial reporting standards stipulated by the Governmental Accounting Standards Board and the California Department of Education (CDE). He/she shall establish a system of ongoing internal controls to ensure the reliability of financial reporting.

When required by law or the Board, the Superintendent or designee shall submit to the Board reports of the district's financial status, including, but not limited to, any report specified in this Board policy or accompanying administrative regulation. When any such report must be approved by the Board prior to its submission to a local, state, and/or federal agency, the Superintendent or designee shall provide the report to the Board in sufficient time to enable the Board to carefully review the report and meet any applicable submission deadline.

The Board shall regularly communicate the district's financial position to the public and shall use financial reports to determine what actions and budget amendments, if any, are needed to ensure the district's financial stability.

If district conditions predict fiscal distress or indicate that the district might not be able to meet its fiscal obligations, the Board and Superintendent or designee shall act quickly to identify and resolve these conditions. The Board shall work cooperatively with the County Superintendent of Schools to improve the district's fiscal health and may contract with an external individual or organization to advise the district on fiscal matters.

**Unaudited Actual Receipts and Expenditures**

On or before September 15, the Board shall approve and file with the County Superintendent a statement of the district's unaudited actual receipts and expenditures for the preceding fiscal year. The Superintendent or designee shall prepare this statement using the state's standardized account code structure (SACS) as prescribed by the Superintendent of Public Instruction (SPI). (Education Code 42100)

**Gann Appropriations Limit Resolution**

On or before September 15, the Board shall adopt a resolution identifying, pursuant to Government Code 7900-7914, the district's estimated appropriations limit for the current fiscal year and the actual appropriations limit for the preceding fiscal year. Documentation used to identify these limits shall be made available to the public on the day of the Board meeting. (Education Code 42132; Government Code 7910)

**Interim Reports/Certification of Ability to Meet Fiscal Obligations**

The Superintendent or designee shall submit two interim fiscal reports to the Board, the first report covering the district's financial and budgetary status for the period ending October 31 and

the second report covering the period ending January 31. The reports and supporting data shall be made available by the district for public review. (Education Code 42130)

Within 45 days after the close of the period reported, the Board shall approve the interim report and certify, on the basis of the interim report and any additional financial information known by the Board, whether the district will be able to meet its fiscal obligations for the remainder of the fiscal year and, based on current forecasts, for the two subsequent fiscal years. The certification shall be classified as one of the following: (Education Code 42130, 42131)

1. "Positive certification" indicating that the district will meet its financial obligations for the current fiscal year and two subsequent fiscal years
2. "Qualified certification" indicating that the district may not meet its financial obligations for the current fiscal year or two subsequent fiscal years
3. "Negative certification" indicating that the district will be unable to meet its financial obligations for the remainder of the fiscal year or the subsequent fiscal year

The Superintendent or designee shall submit a copy of each interim report and certification to the County Superintendent using the state's SACS software, as prescribed by the SPI. (Education Code 42130, 42131)

If the district's certification is subsequently changed by the County Superintendent from a positive to a qualified or negative certification, or from a qualified to a negative certification, the Board may appeal the decision to the SPI within five days of receiving the notice of change. (Education Code 42131)

Whenever the district receives a qualified or negative certification from the Board or the County Superintendent, the Superintendent or designee shall cooperate in the implementation of any remedial actions taken or prescribed by the County Superintendent under the authority granted to him/her pursuant to Education Code 42131.

If the second interim report is accompanied by a qualified or negative certification, the Board shall, no later than June 1, provide to the County Superintendent, the State Controller, and the SPI a financial statement as of April 30 ("third interim report") that projects the district's fund and cash balances through June 30. (Education Code 42131)

At any time during the year when the County Superintendent conducts a comprehensive review of the district's financial and budgetary conditions after he/she has determined that the district's budget does not comply with state criteria and standards for fiscal stability, the Board shall review the County Superintendent's recommendations at a public Board meeting. Within 15 days of receiving the report, the district shall notify the County Superintendent and the SPI of its proposed actions on the recommendation. (Education Code 42637)

### **Audit Report**

(Education Code 41344, 41344.1)
