

EQUIPMENT

Employees and/or students shall use district equipment only for school-related tasks. The Superintendent or designee shall ensure that all employees understand that personal use of district equipment is prohibited and that a violation may be cause for disciplinary action.

The district shall provide comparable basic equipment and supplies for all classes. When equipment cannot be supplied to every class, the Superintendent or designee shall ensure that it will be shared within and among the schools.

When school equipment is not being used by students or employees, school-connected organizations may be granted reasonable use of the equipment for school-related matters.

The principal may approve the removal of district-owned equipment from the school site. When any equipment is taken off-site, the borrower is responsible for its safe return and shall be fully liable for any loss or damage.

Transfer of Equipment to a New Site

Employees transferred to another school shall take with them only those personal items that have been purchased with their own funds. Items paid for by the district, school-connected organizations or grants shall remain at the initial location.

Equipment and materials unique to a special program being moved to the another site may be moved to the new location upon the approval of both principals.

Equipment Acquired by Federal Funds

Equipment purchased for use in a federal program shall be used in that program as long as needed, whether or not the program continues to be supported by federal funds. When no longer needed for the original program, the equipment may be used in other activities currently or previously supported by a federal agency. (34 CFR 80.32)

All equipment purchased with Consolidated Application funds shall be labeled with the name of the project, identification number and name of the district. (5 CCR 3946)

Each principal or designee shall ensure that the following management provisions are established and maintained for equipment acquired in whole or in part with federal funds until such property is disposed: (34 CFR 80.32)

1. A control system shall be developed to ensure adequate safeguards to prevent loss, damage or theft of the property. Any loss, damage or theft shall be investigated.

EQUIPMENT (continued)

2. Adequate maintenance procedures shall be developed to keep the property in good condition.
