

TRANSPORTATION FOR STUDENTS WITH DISABILITIES

The Governing Board shall ensure that appropriate transportation services are provided for students with disabilities as specified in their Individualized Education Program (IEP) or accommodation plan. The district shall make home-to-school transportation available for students at no cost to parents/guardians as specified in the student's IEP.

The Superintendent or designee shall establish criteria and procedures for determining the most appropriate mode of transportation for an individual student based on identified needs as determined in the IEP or accommodation plan.

The Superintendent or designee shall arrange transportation schedules so that students with disabilities do not spend an excessive amount of time on buses compared to other students. Arrivals and departures shall not reduce the length of the school day for these students except as may be prescribed on an individual basis.

The Superintendent or designee shall establish procedures to ensure compatibility between mobile seating devices and bus securement systems.

TRANSPORTATION FOR STUDENTS WITH DISABILITIES

Transportation for students with disabilities shall be provided in accordance with a student's Individualized Education Program (IEP) or Section 504 accommodation plan.

If a disabled student is excluded from school bus transportation, the district shall provide alternative transportation at no cost to the student or parent/guardian provided that transportation is specified in the student's IEP. (Education Code 48915.5)

Guide dogs, signal dogs and service dogs trained to provide assistance to disabled persons may be transported in a school bus when accompanied by disabled students, disabled teachers or persons training the dogs. (Education Code 39839)
