

DRESS AND GROOMING

The Board of Trustees believes that appropriate dress and grooming contribute to a productive learning environment. The Board expects students to wear clothing that is suitable for the school activities in which they participate. Students shall not wear clothing that presents a health or safety hazard or causes a substantial disruption to the educational program.

District and school rules pertaining to student attire shall be included in student handbooks, may be posted in school offices and classrooms, and may be periodically reviewed with all students as necessary.

Students shall not be prohibited from dressing in a manner consistent with their gender identity or gender expression or with their religious or cultural observance.

In addition, the dress code shall not discriminate against students based on hair texture and protective hairstyles, including, but not limited to, braids, locks, and twists. (Education Code 212.1)

The principal or designee is authorized to enforce this policy and shall inform any student who does not reasonably conform to the dress code. The dress code shall not be enforced in a manner that discriminates against a particular viewpoint or results in a disproportionate application of the dress code based on students' gender, sexual orientation, race, ethnicity, household income, or body type or size.

School administrators, teachers, and other staff shall be notified of appropriate and equitable enforcement of the dress code.

When practical, students shall not be directed to correct a dress code violation during instructional time or in front of other students.

Repeated violations or refusal to comply with the district's dress code may result in disciplinary action.

Gang-Related Apparel

The principal, staff and parents/guardians at a school may propose a reasonable dress code that prohibits students from wearing gang-related apparel when there is evidence of a gang presence that disrupts or threatens to disrupt the school's activities. Such a proposed dress code shall be presented to the Board, which shall approve the plan upon determining that it is necessary to protect the health and safety of the school's environment. The dress code policy may be included in the school's comprehensive safety plan. (Education Code 35183).

When determining specific items of clothing that may be defined as gang apparel, the school shall ensure that the determination is free from bias based on race, ethnicity, national origin, immigration status, or other protected characteristics.

Uniforms

The Board may approve a school-initiated dress code requiring students at the school to wear a school uniform whenever the Board determines that such a dress code will promote student achievement, a positive school climate, and/or student safety.

DRESS AND GROOMING

In cooperation with teachers, students and parents/guardians, the principal or designee may establish school rules governing student dress and grooming which are consistent with law, Board Policy and Administrative Regulations. These school dress codes shall be regularly reviewed.

The following guidelines shall apply to all regular school activities:

1. Certain body parts must be covered for all students. Clothes must be worn in a way such that genitals, buttocks, and breasts are covered with opaque material.
2. Students Must Wear:*
 - Shirt
 - Bottom: pants/sweatpants/shorts/skirt/dress/leggings
 - Shoes: activity-specific shoe requirements are permitted (for example for physical education, field trips, or science labs)

*Middle-school courses that include attire as part of the curriculum (for example, presentations and public speaking) may include assignment-specific dress, but should not focus on covering students' bodies or promoting culturally-specific attire.
3. Clothing, jewelry and personal items shall be free of writing, pictures or any other insignia which:
 - Are, vulgar, lewd, obscene, violent, or profane
 - Contain hate speech
 - Promote the use of alcohol, drugs, tobacco, or other illegal activity.
4. Students may not wear bathing suits or visible underwear. Visible waistbands or straps on undergarments worn under other clothing are not a violation.

The dress code shall be modified as appropriate to accommodate a student's religious or cultural observance, health condition, or other circumstance deemed necessary by the principal or designee. In addition, the principal or designee may impose dress requirements to accommodate the needs of special school activities, physical education classes, athletic activities, and other extracurricular and co-curricular activities.

No grade of a student participating in a physical education class shall be adversely affected if the student does not wear standardized physical education apparel because of circumstances beyond the student's control. (Education Code 49066)

Students shall be allowed to wear sun-protective clothing, including but not limited to hats, for outdoor use during the school day. (Education Code 35183.5)

Gang-Related Apparel

At individual schools that have a dress code prohibiting gang-related apparel at school or school activities, the principal, staff and parents/guardians participating in the development of the

school safety plan shall define "gang-related apparel" and shall limit this definition to apparel that reasonably could be determined to threaten the health and safety of the school environment if it were worn or displayed on a school campus. (Education Code 32282)

Because gang-related symbols are constantly changing, definitions of gang-related apparel shall be reviewed at least once each year and updated whenever related information is received. As necessary, the school shall collaborate with law enforcement agencies to update definitions of gang-related apparel.

Uniforms

In schools that require a schoolwide uniform, the principal, staff and parents/guardians at the school shall jointly select the specific uniform to be worn. (Education Code 35183)

At least six months before a school uniform policy is implemented, the principal or designee shall notify parents/guardians of this policy. (Education Code 35183)

Parents/guardians shall also be informed of their right to have their child exempted.

The Superintendent or designee shall establish criteria for determining student eligibility for financial assistance when purchasing uniforms.

Students who participate in a nationally recognized youth organization shall be allowed to wear organization uniforms on days when the organization has a scheduled meeting. (Education Code 35183)
