The screenshot shows the LunchMaster interface. At the top, a blue header contains the LunchMaster logo. Below it, a dark blue bar says "Welcome to Lunchmaster!". A progress bar shows four steps: "Create Account", "Add Diners", "Meal Restrictions", and "Order Meals". The "Add Diners" step is highlighted in orange, and a blue arrow points from it to a box labeled "6".

The main content area is titled "ADD DINERS" and includes a red warning: "Please enter legal names only." Below this are input fields for "First Name", "Last Name", and "School Code". To the right of these fields is a "Request FRL" checkbox with a dropdown menu and a red "X" icon. A black arrow points from this area to a box labeled "5".

Below the input fields is a paragraph of text: "While waiting for FRL approval, please purchase meals on a daily basis. Your credit card on file will be charged for meals purchased before FRL approval has been granted. Please contact your school district to learn more regarding FRL approvals." Below this text are three buttons: "BACK", "ADD ANOTHER DINER" (green), and "CONTINUE" (blue).

At the bottom of the form area, it says "Thank you, The LunchMaster Team." In the bottom right corner of the page, there is a small copyright notice: "© 201".

You can add your student's allergies and sensitivities under 'Meal Restrictions'.
