TERMINATION AGREEMENTS

If a termination settlement agreement has been made with an employee, the Superintendent or designee shall inform prospective employers, upon request for an employment reference, that an agreement exists and that he/she may only provide information as provided for in the agreement.

Cash settlements made upon the termination of a contract shall never exceed an amount equal to the employee's monthly salary multiplied by the number of months, up to 18, in the unexpired term of the contract. This amount is a maximum ceiling, not to be construed as a target amount for settlement agreements. (Government Code 53260)

Settlement agreements shall not include noncash items other than health benefits, which the district may offer to continue for the unexpired term up to 18 months or until the employee finds other employment, whichever comes first. (Government Code 53261)

Copies of settlement agreements with a superintendent are public records and shall be made available to the public upon request. (Government Code 53262)
