

**EDUCATION FOR HOMELESS CHILDREN**

The Board of Trustees desires to ensure that homeless students have access to the same free and appropriate public education provided to other students within the district. The district shall provide homeless students with access to education and other services necessary for them to meet the same challenging academic standards as other students.

The Superintendent or designee shall identify and remove any barriers to the identification and enrollment of homeless students and to the retention of homeless students due to absences or outstanding fees or fines. (42 USC 11432)

When there are at least 15 homeless students in the district or a district school, the district's local control and accountability plan (LCAP) shall include goals and specific actions to improve student achievement and other outcomes of homeless students. (Education Code 52052, 52060)

The Superintendent or designee shall designate an appropriate staff person to serve as a liaison for homeless children and youths. The district liaison shall fulfill the duties specified in 42 USC 11432 to assist in identifying and supporting homeless students to succeed in school.

In order to identify district students who are homeless, the Superintendent or designee may give a housing questionnaire to all parents/guardians during school registration, make referral forms readily available, include the district liaison's contact information on the district and school web sites, provide materials in a language easily understood by families and students, provide school staff with professional development on the definition and signs of homelessness, and contact appropriate local agencies to coordinate referrals for homeless children and youth and unaccompanied youth.

Information about a homeless student's living situation shall be considered part of a student's educational record, subject to the Family Educational Rights and Privacy Act and shall not be deemed to be directory information as defined in 20 USC 1232g. (42 USC 11432)

The Superintendent or designee shall ensure that placement decisions for homeless students are based on the student's best interest as defined in law and administrative regulation.

Each homeless student shall be provided services that are comparable to services offered to other students in the school, including, but not limited to, transportation, educational programs for which the student meets the eligibility criteria (such as federal Title I services or similar state or local programs, programs for students with disabilities, and educational programs for English learners), career and technical education programs, programs for gifted and talented students, and school nutrition programs. (42 USC 11432)

Homeless students shall not be segregated into a separate school or program based on their status as homeless and shall not be stigmatized in any way. However, the Superintendent or designee may separate homeless students on school grounds as necessary for short periods of time for health and safety emergencies or to provide temporary, special, and supplementary services to meet the unique needs of homeless students. (42 USC 11432, 11433)

BP 6173(b)

District liaisons and other appropriate staff shall participate in professional development and other technical assistance activities to assist them in identifying and meeting the needs of homeless students and to provide training on the definitions of terms related to homelessness. (42 USC 11432)

At least annually, the Superintendent or designee shall report to the Board on outcomes for homeless students, which may include, but are not limited to, school attendance, student achievement test results, promotion and retention rates by grade level, graduation rates, suspension/expulsion rates, and other outcomes related to any goals and specific actions identified in the LCAP. Based on the evaluation data, the district shall revise its strategies as needed to better support the education of homeless students.

(Education Code 48852.7; 42 USC 11432)

Best interest means that, in making educational and school placement decisions for a homeless student, consideration is given to, among other factors, educational stability, the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress, and the student's access to academic resources, services, and extracurricular and enrichment activities that are available to all district students. He/she shall also provide the name and contact information of the district's liaison to the California Department of Education (CDE) for publishing on the CDE's web site. (42 USC 11432)

### **Enrollment**

The district shall make placement decisions for homeless students based on the student's best interest. (42 USC 11432)

In determining the best interest of the student, the district shall consider student-centered factors related to the student's best interest, including factors related to the impact of mobility on achievement, education, health, and safety, giving priority to the request of the student's parent/guardian or, in the case of an unaccompanied youth, the youth. (42 USC 11432)

Such factors may include, but are not limited to, the age of the student, the distance of the commute and the impact it may have on the student's education, personal safety issues, the student's need for special instruction, the length of anticipated stay in the temporary shelter or other temporary location, likely area of future housing, school placement of siblings, and the time remaining in the school year.

However, placement decisions shall not be based on whether a homeless student lives with his/her homeless parent/guardian or has been temporarily placed elsewhere. (42 USC 11432)

In the case of an unaccompanied youth, the liaison shall assist in placement or enrollment decisions, give priority to the views of the student, and provide notice to the student of his/her appeal rights. (42 USC 11432)

In determining a student's best interest, a homeless student shall, to the extent feasible, be placed in his/her school of origin, unless the student's parent/guardian or the unaccompanied youth requests otherwise. (Education Code 48852.7; 42 USC 11432)

Once a placement decision has been made, the principal or designee shall immediately enroll the student in the school of choice. The student shall be enrolled even if he/she: (Education Code 48852.7; 42 USC 11432)

1. Has outstanding fees, fines, textbooks, or other items or monies due to the school last attended
2. Does not have clothing normally required by the school, such as school uniforms

3. Is unable to produce records normally required for enrollment, such as previous academic records, proof of residency, and records of immunization and other required health records
4. Has missed application or enrollment deadlines during any period of homelessness

The principal or designee shall immediately contact the school last attended by the student to obtain the relevant records. If the student needs to obtain immunizations or does not possess immunization or other required health records, the principal or designee shall refer the parent/guardian to the district liaison for homeless students. The district liaison shall assist the parent/guardian, or the student if he/she is an unaccompanied youth, in obtaining the necessary immunizations, screenings, or records for the student. (42 USC 11432)

If the student is placed at a school other than his/her school of origin or the school requested by his/her parent/guardian or an unaccompanied youth, the Superintendent or designee shall provide the parent/guardian or the unaccompanied youth with a written explanation of the decision along with a statement regarding the right to appeal the placement decision. (42 USC 11432)

The student may continue attending his/her school of origin for the duration of the homelessness. (Education Code 48852.7; 42 USC 11432)

To ensure that the homeless student has the benefit of matriculating with his/her peers in accordance with the established feeder patterns, the following shall apply: (Education Code 48852.7; 42 USC 11432)

1. If the student is transitioning between grade levels, he/she shall be allowed to continue in the same attendance area.
2. If the student is transitioning to a middle school or high school, and the school designated for matriculation is in another school district, he/she shall be allowed to continue to the school designated for matriculation in that district.

If the student's status changes before the end of the school year so that he/she is no longer homeless, he/she shall be allowed to stay in the school of origin through the duration of the school year if he/she is in grades K-8 (Education Code 48852.7)

### **Resolving Enrollment Disputes**

If a dispute arises over student eligibility, school selection, or enrollment in a particular school, the matter shall be referred to the district liaison, who shall carry out the dispute resolution process as expeditiously as possible. (42 USC 11432)

The parent/guardian or unaccompanied youth shall be provided with a written explanation of any decisions related to eligibility, school selection, or enrollment and of the right of the parent/guardian or unaccompanied youth to appeal such decisions. (42 USC 11432)

If a parent/guardian or unaccompanied youth disagrees with the liaison's enrollment decision, he/she may appeal the decision to the Superintendent. The Superintendent shall make a determination within five working days.

If the parent/guardian chooses to appeal the district's placement decision, the district liaison shall forward all written documentation and related paperwork to the homeless liaison at the county office of education.

Pending final resolution of the dispute, including all available appeals, the student shall be immediately enrolled in the school in which enrollment is sought and shall be allowed to attend classes and participate fully in school activities. (42 USC 11432, 11434a)

### **Transportation**

The district shall not be obligated to provide transportation to students who continue attending their school of origin after they cease to be homeless, unless the formerly homeless student has an individualized education program that includes transportation as a necessary related service for the student. (Education Code 48852.7)

### **Eligibility for Extracurricular Activities**

A homeless student who enrolls in any district school shall be immediately deemed to meet all residency requirements for participation in interscholastic sports or other extracurricular activities. (Education Code 48850)

### **Notification and Complaints**

Information regarding the educational rights of homeless students, as specified in Education Code 51225.1 and 51225.2, shall be included in the annual uniform complaint procedures notification distributed to students, parents/guardians, employees, and other interested parties pursuant to 5 CCR 4622. (Education Code 51225.1, 51225.2)

Any complaint that the district has not complied with requirements regarding the education of homeless students, as specified in Education Code 51225.1 or 51225.2, may be filed in accordance with the district's procedures in AR 1312.3 - Uniform Complaint Procedures.
